

## Quality Management System (QMS) Policy

### Scope and applicability

The Policy is applicable to all business and project related activities of SPRNG Energy. All employees, workers and contractors of SPRNG are required to adhere to this policy.

### Policy Objectives and Commitment

We, at Sprng, are committed to continually improve the quality of its operations and associated processes. SPRNG believes that continual improvement adds value to its stakeholders. This policy demonstrates SPRNG's commitments to meet and exceed stakeholders' expectations to deliver best in class quality assets and services consistently. SPRNG is committed to achieve this through:

- Conducting detailed study / due diligence during project selection and execution.
- Close monitoring and evaluation of its projects during the complete life cycle.
- Continually adapting and implementing best practices across life cycle of its projects.
- Establishing, maintaining and practicing a certifiable QMS (ISO 9001).
- Providing adequate training and resources to accomplish its quality requirement.
- Comply with applicable Legal & other requirements.
- Continual improvement.
